

SETH GRAVES.

APRIL 24, 1884.—Laid on the table and ordered to be printed.

Mr. BAGLEY, from the Committee on Invalid Pensions, submitted the following

R E P O R T :

[To accompany bill H. R. 6475.]

The Committee on Invalid Pensions, to whom was referred the bill (H. R. 6475) for the relief of Seth Graves, having considered the same, submit the following report :

The petitioner asks to be placed on the pension-rolls at \$10 per month, to date from his discharge in 1865. If the case was a good one the committee could not recommend such action, because of the question of arrears. But the examining surgeons, with great unanimity, declare that there is no existing disability. Moreover, the evidence, aside from the surgeons, is too slight to sustain the claim. The committee therefore ask to be discharged from further consideration of the bill, and recommend that it lie on the table.
